Kochi

Project imagery supplied to Citysky.

COMPLETED / SOLD OUT

Four homes on a small infill plot, arranged so none of them looks into another.

A record of the project. No homes currently offered for sale.

THE PROJECT

A clear starting point.

LOCATION	Kochi
PROJECT	4 homes
HOME TYPES	3 bedroom homes
BUILT-UP AREA	1,450 - 1,900 sq ft
SITE AREA	16 cents
STATUS	Completed / Sold out

ABOUT THE HOMES

Sixteen cents is not much land for four homes, and the temptation on a plot this size is to put up four identical boxes facing the same way. We spent most of the design time avoiding that.

Project information follows the current Citysky listing. Ask for the home-specific area statement and approved drawings before making a purchase decision.
